DONATION HOURS

SATURDAY AND SUNDAY: **CLOSED**
Monday thru Friday 8 am—3 pm

While we greatly appreciate donations, if you're donating something that you would **NOT** purchase for your son/daughter, mom/dad or loved one that is stained, soiled, chipped, dented, or damaged, then it isn't something we can sell in our store. Please keep this in mind as you decide what to donate, and what to throw away. Our manpower and time is limited, and a lot of effort goes into making sure the items we sell are of good quality. Also, as a reminder, **WE DO NOT ACCEPT** car seats, weapons, or knives. You must call Vickie Morton at 507-2041 to ensure we can take any furniture, large appliances, televisions or for any large donations and to schedule an appointment to drop off large donations. Thank you so much for your support.

Hope Association Employee Spotlight

GETTING TO KNOW ANGELA B.

Angela Brewster joined the Hope Association back in 2017. She left the company for a few years then returned in 2023. She currently is a DSP and CRMA at Keep House. Angela has as well, worked at other programs at Hope Association including, Kimball Ave and Fourth Street. She currently works awake overnights, and she says the best part of her job is the people of Keep House and her shift. She also likes the fact that it is a decent commute. Angela's strengths are years of experience in the health field and her well-rounded knowledge that she is always willing to share with anyone. Angela will face all challenges that come at her via, her job or personal life with an open mind and hard work. Angela is an analytical person and a great advocate for everyone that she supports and knows. She had worked as a CNA for 17 years helping individuals with Dementia before joining Hope Association. When asked about training, Angela replied "The more knowledge the better and more empowerment." Angela's hard work and dedication are great assets to Keep House and the Hope Association. Angela comes into her shifts with a smile on her face and a positive attitude. The individuals that Angela supports at Keep House call her the lady with the BIG truck and always enjoy it when she is working. Thank you, Angela, for everything that you do for all of the individuals that you support.

Matt attended the races at The Poconos

Matt had a ball at the races. After a rain delay and sitting 4 hours for the event to start, it got muggy and hot. They stayed for 160 laps and took a while to cool down but he just loved every bit of it.
