THE What Not Shop - Thrift Store

While we greatly appreciate donations, if you're donating something that you would **NOT** purchase for your son/daughter, mom/dad or loved one that is stained, soiled, chipped, dented, or damaged, then it isn't something we can sell in our store. Please keep this in mind as you decide what to donate, and what to throw away. Our manpower and time is limited, and a lot of effort goes into making sure the items we sell are of good quality. Also, as a reminder, **WE DO NOT ACCEPT** car seats, weapons, or knives. Please remember, you must call Vickie Morton at 507-2041 to ensure we can take any furniture or large appliances. Also, for any large donations you must call and schedule an appointment. Thank you so much for your support.

Crafting Fun at Hope Association

One of the things we enjoy doing at Hope Association is crafting. There are numerous artists among us who create all kinds of projects. We sew, knit, paint, make jewelry, and so much more. While some crafts can be challenging, we enjoy taking on those challenges and doing our best to succeed.

Crafting gives us the opportunity to be creative, learn new skills, and experience the satisfaction of completing a project. When our items are finished, we proudly share photos of our creations. Those photos often capture the smiles and sense of accomplishment that come with achieving our goals and creating something special.

Whether the project is simple or complex, we enjoy the process and take pride in the work we do together.

Danielle is using a new art easel that lights up.

Cherie is enjoying her time making beaded necklaces.

Mary is sewing with Victoria to make this beautiful tote bag.

Shawna is sewing cat beds we like to make for the shelters.

A Visit to Holman Farm

One of the places Hope Association enjoys visiting is Holman Farm. It is always a pleasure to spend time there, where we can interact with the animals and learn more about them during each visit.

There is always something new to do at the farm, and we are eager to jump aboard and help with any tasks we can. Whether we are lending a hand, exploring the farm, or learning new things, every visit creates memorable experiences for everyone.

Recently, we enjoyed a wonderful hayride on a beautiful sunny day. It was a fun opportunity to take in the scenery, spend time together, and enjoy all that the farm has to offer.

We would like to extend a heartfelt thank you to the Holman family for their continued support and kindness. We appreciate all they do to make our visits enjoyable and meaningful.

Mr. Holman with Jerry, Richard, and David.
